

LEWMAR®

EC Declaration of Conformity

Lewmar DoC No:

ECC H0105

Lewmar Ltd. Of Southmoor Lane, Havant Hampshire, PO9 1JJ, England declare that the product(s) listed below

Vent Retro Fit Pack

This product has been designed and tested to comply with the Pressure and Watertightness requirements of ISO 12216:2002 Annex D, Category A vessels, Area 2a Appliance location

Notified Body Type Examination

EC Type Examination Certificate No.

N/A

Issued By:

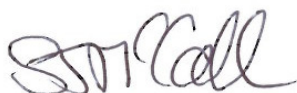

Note: ISO 12216:2003 Annex D states

If the appliance has ventilation devices which are either built-in, or fitted by the appliance manufacture before commercialization, these ventilation devices may be made inoperative, e.g. sealed with joining compound, to perform the tests defined in D.1.

Therefore there is no notified certificate for this product

By its design this equipment is suitable for use in areas where the above directive applies, provided that its integration or build-in or assembly be correctly performed by the installer to industry standards

Signed for and on behalf of Lewmar Ltd.
