

YACHTICON SAIL AND CANVAS CLEANER:

Cleans and brightens white and coloured sails, all kind of canvas, biminis, sail and boat covers, sprayhoods, sun sails and tents. Traditional formula. Removes dirt, grease, moulds and other conta-mination. Does not damage sails, fabric and yarn. Suitable for natural and synthetic fibres.

Instructions for use:

Add approx. 50 ml to 3.5 ltr. water. Apply the mixed solution evenly onto the sail or fabric using a sponge. Let the solution take effect for as long as possible. The solution may not meanwhile dry! Now brush away the dissolved dirt and rinse thoroughly with water. The best results are obtained by letting the sail or fabric soak in the solution for at least 12 hours.

Safety Precautions:

Keep out of reach of children.

Contents:

5-15 % soap, less than 5 % non-ionic surface-active agents, setup agent, aromatics and coloring.
